**21<sup>st</sup> March** – Parents evening on School Cloud 3.30pm - 6.15pm

**28<sup>th</sup> March** – Break up for Easter

## Mrs Grace

Dear parents and carers,  
Mark 1:29-39

In Mark's Gospel this week, we learned that Jesus was, amongst other things, a teacher and His teachings, sometimes exemplified with miracles, attracted thousands of people during the relatively short years of His ministry. Many of those who were fortunate enough to be in His presence during this time, were genuinely transformed by the experience.

I sometimes think that the staff at St Hugh's are miracle workers. Their expertise, creativity and warmth make our school a truly exceptional place to be in. The standard of the work the children produce in every classroom is testament to this.

I have been delighted to hear our children telling me this week how much they have enjoyed their writing lessons and the enormous pride they have taken in redrafting their work into their new publishing books has been outstanding.

It was really uplifting to watch the well-being champions leading Collective Worship for Children's Mental health Week, on Monday, with tips on how to use breathing and calming strategies effectively. Thank you to them and Mrs Pickard and well done to all the children who entered the drawing competition showing what they are most proud of. Thank you for your ongoing support for all we do at St Hugh's. Enjoy this week's newsletter and have a restful half term break. God bless.

Mrs Grace

## News at St Hughs

I'm so pleased to let you know that our School Council and the wonderful Mr Scalzo are making great progress on getting us all into gardening! This was something the children asked for when we did the cultural capital survey some time ago. Mr Scalzo has drawn up the plan so that each class can have a raised bed each and during half term he will build them with some help from Gary our gardener.

The 'allotment!!!' will be situated by the 'Friends' container by the KS2 playground and in a few weeks' time, we hope to put a trellis fence in front of it to protect plants.

Mr Scalzo is also suggesting that he will get some nets to cover the growing plants and name plaques for each year group's bed. Our wonderful governors are helping with funding but we also need to raise some more money for this project so the School Council have decided to hold a cake sale on Friday 23<sup>rd</sup> February. Please can you help them by baking some cakes to sell. Another way to help is by donating to our Governor Fund – your money comes straight back to the children!

<https://cafdonate.cafonline.org/24548#!/DonationDetails>

Also, if the children would like a little half term project - could they research what would be good to plant in March? Well done School Council and Mr Scalzo

## News at St Hughs

### Happy Chinese New Year

Thank you so much to Ms Lee and Mrs Chan for helping us to celebrate Chinese New Year. We learned so much about how it is celebrated and really loved the traditional dress and decorations.

Thank you so much for all your hard work and giving up your time to talk to us. We really enjoyed it.

The children learned about the Chinese Dragon Parade during the Chinese New Year assembly today and many were keen to see one. Woking town centre will be celebrating Chinese New Year on Saturday 17th February cumulating with a traditional parade.

17th Feb 2024 Saturday

IN WOKING

### Children's Mental Health Week

Children's Mental Health Week theme this year is **'My Voice Matters'**.

My Voice Matters is about empowering children and young people by providing them with the tools they need to express themselves.

The wellbeing leads have led a number of initiatives this week to get the children thinking about their health and well-being.

Well done to all the children who entered the poster competition. We had so many amazing entries.

Our KS2 winners

Our KS1 winners

## World Book Day

With just over a month to go until World Book Day we wanted to share this year's creative competition with you all. We would love the children to turn a hat into their favourite book, author or character. Prizes will be awarded for the most exciting creations. There will be a prize per class and one for the overall whole school winner. Please support the children to make their own creation at home. The children's creations can be brought into school on Thursday 7th March.

### Book Sale

There will be an Usborne Book Sale from 3:15- 4:30pm in the school hall on Monday 11<sup>th</sup> and Tuesday 12<sup>th</sup> March. The children will be able to use their £1 World Book Day Book Tokens.

Can you turn a hat into your favourite book, author or character for World Book Day 2024?

On Thursday 7th March we will have a hat parade on the playground.

# Reception – Saint Bernadette

Following on from the Reception's learning about healthy eating last week, this week they have been inspired by the Italian artist Giuseppe Arcimboldo. The children selected fruits and vegetables to create portraits. We were blown away by their creativity and their fruit and vegetable characters really make us all smile! It was also a wonderful opportunity to continue our discussions about how we can try to get a minimum of 5 fruit and vegetables into our diet each day and it gave us some ideas for how we can try to 'eat a rainbow!'

# Year 1 - Saint George

Throughout this term, we have been comparing materials. This week, we were investigating the properties of 4 different slimes. The children raised questions about the properties of slime and answered these questions by carrying out a comparative test. What fantastic scientific skills and knowledge we have learnt.

We also finished embellishing our puppets too! We have all evaluated our puppets against our original design. We are all feeling very proud. Well done Year 1.

# Year 2 – Saint Francis

We have learned lots in our last week of half term! In English we wrote our alternative ending of the story we have been reading these weeks “The fox and the star”. In maths we explored repeated addition when adding equal groups of objects and we will see how we can represent it in a multiplication sum after half term. In Science we describe the forces implied in everyday activities and in Geography we used the iPads to research about the food we grow in the UK and the food we import from abroad. In RE we have written our Lenten promises (pray, fast or give). We finished our collages in our art lesson and we are very proud and inspired by them!

**Read Write Inc.**  
Phonics

**This week's spelling rule: The j sound can be spelt with the letters ge at the end of words. For example: charge, large.**

**The j sound is spelt with the letters dge at the end of a word after the a, e, i, o, u or oo sounds. For example: badge, fudge.**

**Orange/red words: two, does, we, child, any, walk.**

# Year 3 – Saint Veronica

This week in year 3, we have been focusing on our scientific enquiry skills.

We have used the knowledge learned throughout this term's topic 'rocks and soils' to plan and carry out our own experiments to test the permeability of rocks.

We had great fun using our pipettes to make water droplets, made careful observations, recorded our results and drew conclusions from what we noticed.

**Read Write Inc.**  
Spelling

Our spelling rule this week is adding **im-** to root words beginning with **m** or **p**: If a root word begins with the letter **m** or **p**, the prefix **i-n-**, **in-**, changes to **i-m-**, **im-**.  
e.g. immortal, impossible, immobile,

Our orange words after half term are: **class, climb, clothes, different, disappear, early**

# Year 4 - Saint Teresa of Calcutta

This week in Science, the children studied the outcome of their tooth decay experiment which they carried out last week. Children discussed their findings as a class and considered which questions they could answer using their evidence such as which eggshell changed the most. Following on, as a class the children drew a conclusion which was later recorded into their books.

Alongside this, across the past couple of weeks Miss Russell and other staff members have been incredibly impressed by Year 4's beautiful English Writing work. Every child has shown a significant amount of resilience and taken a lot of pride in their work. A huge well done year 4, you should be extremely proud of yourself. Wishing you all a wonderful and restful half term!

Our spelling rule this week is: adding **-ation** to verbs to form nouns.  
e.g. preparation, information.

**Read Write Inc.**  
Spelling

Orange words: various, strength, weight, thought, certain, decide.

Tuesday 9<sup>th</sup> February 2024

Dear Dad,

Sally I might not believe you my letters, but I'll gonna tell you about nothing has happened and for all dead sound my collection has been abandoned. I don't know that I have this much strength and strength through the sleeping, since something's haven't come across anything, yet but I probably will soon. I've probably written on what I might come across, I'm thinking, raise in the bushes.

Today was the most unforgettable day. I came across a tall, shabby yet that looked over me like a helicopter was flying above me in the calm, glowing air. It made me curious of what it was it was like a biggest helicopter as a jet. What if it is not safe? what if it is dangerous? what if it is friendly? then all became friends with it. Supporting the feet of backlinks and the hands of steps the wise of a pair of wings. I made me feel walked when his hands and feet are like that.

Curiously, I need to tell you some pretty nice news. I got an adorable, kind woman called Agatha who has dropped all my the tall shabby yet but whole entire life and tonight when everything was known, I really enjoyed it. I'll be back soon. It's glad to see the moment I graduated towards the beautiful ground counts. Knowing that it is the yet's home.

The yet's are in serious danger. I need to wish and they get the yet's to be magnificent. I'll be back soon. I am thinking of a plan to safely get the yet's out to Britain without troubling them. I can keep it a secret if I can. I can transport the yet's if I get them to Friday. Thank you for your help.

Muscles are as soft as a cat.

Friday 9<sup>th</sup> February 2024

Dear Dad,

Sally I didn't see person to go on the day. I was sad and sad at the time, but I want to say that I am happy and safe.

My jump was long and serious, but I managed to reach the valley. I was surprised to see that yet's are real. Their feet are amazing, so are the bodies. They are not a bit weak. Surprisingly, the yet's were really kind and made me comfortable on the path. If I didn't come here I would know nothing of I don't see yet's. I wouldn't be the first one of I didn't come here they be gone. This is not I can't see her to see them.

Normally, I touch their gently, happy for the way as long as a rind. Completely. Their feet are as hard as a lightning bolt that comes high on the sunny, blue sky. Exactly. I was riding on a yet's and that was my first time. I was riding on a yet's and that was my first time. I was riding on a yet's and that was my first time. I was riding on a yet's and that was my first time.

Normally, I felt scared because I never had this experience and I didn't want you to be worried but I had no choice. The yet's are special they will be loved. So, so I decided to go to see the yet's and make them have a

# Year 5 – Saint Raphael

The children absolutely love their music lessons! I absolutely enjoyed listening to them yesterday. They are so engaged and so immersed in the lessons. Please make sure you do ask them about it.

Well done for having an amazing half-term Year 5! I hope you have a restful break this half-term!

**Our spelling rule this week is: words ending in *shus* spelt *tious***

**Our 6 orange words are: immediate, signature, hindrance, interrupt, marvellous, apparent**

**Read Write Inc.**  
Spelling

# Year 6 - Saint Maximilian Kolbe

This week, the year 6 children have been creating their own campaigns as their big finish to this terms Geography topic, 'Protecting the Environment'

They used all of the knowledge they have learned over the topic to research an endangered animal, explain the environmental issues which are causing its decline, and say how its habitat was being affected by humans. They also put forward some wonderful suggestions for possible solutions to their chosen environmental issue, and how people can help to reduce their impact. The children chose how they presented their campaign, and we have seen some incredible posters, leaflets and presentations!

**Read Write Inc.**  
Spelling

Our spelling rule this week is: Other ways of making the tion sound.

Our 6 orange words are: develop, neighbour, community, embarrass, sacrifice, recognise

### **Job Vacancy – Learning Support Assistant – 11.5 hours per week 38.6 weeks per year**

We are looking to appoint a part-time Learning Support Assistant for 11.5 hours per week – 38.6 weeks per year. As a Learning Support Assistant you will help support learning within the classroom working with and supporting the class teacher. You will also help provide the children with a safe and secure environment. This role includes a lunchtime duty.

So if you are:

- Someone who enjoys working with children and always puts their needs first:
- Looking for a position that is varied, fulfilling and rewarding;
- Energetic and patient with a keen sense of humour
- A real team player

then we are keen to hear from you.

Interested candidates are warmly invited to contact the school if you would like to discuss the role in more depth. Early application is recommended as we reserve the right to interview and appoint at any time during the recruitment process.

For more information and to apply, please use the link below:

<https://www.eteach.com/job/learning-support-assistant-1403129>

This link is also available on our website under vacancies.

### **Developing Our Mission – Job Opportunity:**

Woking and Knaphill parishes are recruiting a Pastoral Coordinator to serve our community, working alongside our clergy, office staff and lay faithful. This is an exciting step forward for our community as we prepare to implement the diocesan Pastoral Plan and develop our parish. Please pray that the right people will be moved to apply for the role and that we will be blessed with an energetic, committed worker with a good understanding of our Catholic faith. Please also pass details to people who might be suited to the role. The successful candidate will assume responsibility for coordinating and developing catechesis, developing lay leadership and promoting a culture of missionary discipleship across our twin parishes. The post is full-time (but applicants who can offer least 0.6 FTE will also be considered). Salary £32,000-35,000 (or pro rata) depending on experience and qualifications. Application deadline: Friday, March 1, 2024. Interviews: Friday, March 15, 2024. For job-description and application form see:

<https://www.abdiocese.org.uk/careers/pastoral-coordinator-woking-knaphill-parishes>

## News at St Hughs

### Science Fair

This term, St Hugh of Lincoln will be holding a Science Fair for KS1 and KS2 children. We would love your child to take part.

**Entries need to be submitted to the school office by Monday 11<sup>th</sup> March. These will then be displayed within the school for children to view throughout the day on Tuesday 12<sup>th</sup> March. On Wednesday 13<sup>th</sup> March, parents are invited in after school to view the submitted entries from 3.15-3.30 in the Wraparound.**

There will be a winner from each year group that will be awarded in school. The 15 overall KS2 winners will then be invited to the Xavier Science Fair Grand Final at ACS International School in Cobham on Wednesday 27<sup>th</sup> March. I will be holding some lunchtime support sessions if children require any. We look forward to seeing their fantastic entries.

Mr Ellson who is currently teaching Y3/4 choral music is singing at Guildford Cathedral which is going to be live on BBC R3 on 14th Feb. at 4pm. If the children would like to listen please follow the link below.

[BBC Radio 3 - Choral Evensong, Guildford Cathedral](#)

# Information Board

## Moments Matter – Attendance Counts

On 8<sup>th</sup> January, the government launched an attendance campaign. Post-Covid, national attendance to school has plummeted. It was bad enough that our young people were not able to attend school in the usual way during Covid, missing the all important social development that occurs all of the time every day that they are in school, with their friends, learning to cope with disagreements, forming their moral compass, evolving communication skills and developing emotional resilience. The lack of classroom based teaching where teachers are able to continually assess learning, no sporting competition, musical or dramatic performance, trips and visits. We navigated it all, but it has left its mark.

Some children have really struggled to get back in to school. Our attendance across Woking schools is down just like the rest of the UK. We need to work together to get children back into regular attendance patterns – it is vital to their future life opportunities. If they have a minor cough, runny nose, sore throat, slight tummy ache, they do not need a day off. All work place have staff attendance expectations and we need to prepare our children to get through days when they feel a little under the weather. This is an area where your child needs your consistency and support for endurance when they feel a bit grotty.

## Lateness

Lateness this term has started to become an issue again. We will be sending home letters this week to students who have been repeatedly late. Can we please remind all parents and carers that to comply with government expectations our school hours changed at the start of September. Confirmation of this change was sent out at the end of July 2023. Our school day runs from 8.45am and ends at 3.15pm. The gate is locked at **8.45am** sharp. The school gates still open at 8.30am. There are early bird sessions for all children that arrive early at 8.30am.

## Getting your child to school really matters. Did you know.....

If in a school year your child is late every day...	Your child would have lost approximately...	Or they would have missed approximately...
5 minutes	3-5 days from school	20 lessons
10 minutes	7 days from school	41 lessons
15 minutes	10 days from school	55 lessons
20 minutes	14.5 days from school	82 lessons
30 minutes	22 days from school	123 lessons

You should not take your child on holiday during term time.  
Please encourage punctuality to maintain school attendance.

**Remember Absence = Lost Opportunity**

## Information Board

### Safeguarding

We seek to provide a safe and happy environment for all children. This means that we have a Child Protection and Safeguarding Policy and procedures in place. If you are concerned about a child's welfare, please record your concern, and any observations or conversation heard, and report to Mrs Grace, Mrs Pickard or Mr Davies or [dsl@sthugh-of-lincoln.surrey.sch.uk](mailto:dsl@sthugh-of-lincoln.surrey.sch.uk) as soon as possible the same day.

## Breakfast and Afterschool Club

### Wraparound – Afterschool Care

Following the success of activity Fridays, we have decided to continue offering shorter sessions on Fridays. The session will run from 3.15pm to 4.30pm and will be available for the price of £7.00. This price includes the usual afterschool snack and lots of fun.

Bookings can be made the usual way through Scopay. Please select the required Friday and use the code H. This code is not valid for any other day but Friday. If you are new to our Afterschool Club, please contact the office for a Registration Form.

## Friends News

Thank you for all your help and support.

We have had an amazing Half term for our events and Fundraising and we look forward to sharing with you the schools vision for school fundraising next half term.

Your support is greatly appreciated by the friends, staff, pupils and Governors of our wonderful school.

Thank you.

Have a peaceful and restful break.

Mrs Barker

The Friends of St Hugh of Lincoln - Catholic Primary School  
"In faith and love we learn and grow"
