

# Important Information

## CHILDREN HELPING CHILDREN CHRISTMAS COLLECTIONS – MISSION BOXES

We were able to send a cheque to Mission Together for £633.23, which was the combined sum of the £180 raised after the Christmas performances and the Mission together boxes total of £453.23

During Lent the children will be given the Good Shepherd boxes in aid of the Cabrini Brothers work in the diocese.

### LENTEN GROUPS

If there should be a group of parents who would like to hold a Lenten group meeting before pick up starting at 2.00pm then please contact Mrs Bullen who will be able to discuss a convenient day and venue.

Mrs Bullen will also be able to put you in contact with Madeline and Roger – the Lenten group coordinators for the parish. Mrs Bullen spoke to Madeline at mass and she is more than happy to supply the booklets for the group and suggested that if there isn't anyone who wants to take on the lead then each member of the groups could take it in turns to do so on a weekly basis.

Madeline can be contacted on 01483 481944 or by email [rogandmad.furnell@btinternet.com](mailto:rogandmad.furnell@btinternet.com).

### PARKING ON/ WALKING UP FIVE OAKS —GETTING ALONG WITH OUR NEIGHBOURS AND EACH OTHER

Unfortunately, we have had further complaints from neighbours as a result of some parents still parking at the top of Five Oaks Close and the hammer head near the school, the latter of which contravenes the Highway Code as it is a turning space. This practice is causing great inconvenience for the people who live down the close and annoyance to those who do abide by the agreement to 'park and stride'.

We would ask you to ensure that this inappropriate parking stops immediately and that you park in Wickes or the Surrey car parks.

These complaints are causing considerable time wasting for the school office staff so we would ask you once again for your co operation with this.

### MORNING DROPPING OFF TIMES

We have noticed that there have been some children who have been left unsupervised in the playground before the duty teacher has arrived. This is a reminder that there is no supervision for pupils in the playground until 08.40am, therefore pupils should not be left before this time unsupervised.

### ST JOHN'S CHILDREN'S CENTRE NEWS

We have been advised by the Children's Centre of some changes to their sessions which means they cannot accommodate Childminders at the Wednesday morning parent/carer session.

Please look at the Community Notice board for the updated sessions.

For more information about their activities please call them on 01483 476450 or through the website [www.st-johns-knaphill.surrey.sch.uk](http://www.st-johns-knaphill.surrey.sch.uk)

### PAYMENTS TO SCHOOL (repeat)

According to guidelines regarding good financial practice, it is recommended that cheques rather than cash be sent into school. Your co-operation with respect to this would be appreciated.

School Dinner	Dinner money for the next half-term will be £53.20 payable to 'Surrey County Council' (Credit notes will be issued to cover snow closure days for last term, where applicable)
Governors' Fund	£40 per family per year, cheques payable to "St. Hugh of Lincoln School Governors" or by Standing Order.
Trips, swimming	Please make cheques payable to "St Hugh of Lincoln School".
