

Lunchtime Chess Club

*** Encourages thinking ahead ***

*** Proven to raise IQ ***

*** Increases problem solving skills ***

*** Improves concentration ***

My name is Paul Welling and I teach in numerous local schools, including SJB, as well as chess clubs. I am looking forward to starting a chess club at St Hugh's, which will cater for beginners and children who can already play.

Once the children can all play to a certain standard, I will then organise inter school matches to give all pupils who want to, the opportunity to represent their school at chess.

For the last 4 years I have entered some students into the Delancey Chess Competition which is the biggest Junior event in the world! One of my players won the Surrey megafinal stage with 6 out of 6 wins in the Under 7 section and one of my Under 12s got through to the Challenger stage which is the top 1% of players in the country. I am a strong believer in the life skills chess brings.

This all sounds serious. I will of, course, start the chess club at your school from the beginning with the main emphasis being on having fun and let's see where the journey will take us!

Available to book now!!

Sessions will run between Monday 22nd April and Monday 15th July 2024 (11 weeks)

Time: Lunchtimes 12.45-1.15pm
