## Mrs Grace

Dear parents and carers,  
It's been wonderful to see our year 6 children in action this week as they completed preparations for their business enterprise projects. They presented their business models to me with such clarity and confidence paying careful attention to product design, market research, advertising strategy and budgeting. When it came to selling their products today, there was a feeling of a summer fete in the playground and a real buzz of excitement as all the children came to buy. Year 6 specifically asked that all the money raised goes to Shooting Star Chase Hospice in memory of their friend Daniel Dunning. We had a lovely liturgy with the children and parents of Reception class this morning. My thanks go to Mrs Barker who prepared the children beautifully and to Father Rob for celebrating with us. Well done to the children who made us all very proud.

In this week's Gospel, we learnt that each of us of us are called to be rocks for others. We do this by being grounded in faith, by being present, still and solid, and by being open-hearted, offering boundless loving kindness. It's on rocks like these that happy children are formed. Have a wonderful weekend and God bless! Mrs Grace

## News at St Hughs

### **Our St Hugh's Computing committee invites you to join us for a Screen-Free Day this weekend!**

Take a break from screens and enjoy a day filled with real-world fun! On **Saturday 5th July and/or Sunday 6th July**, families are invited to unplug and reconnect with nature, creativity, and each other for a whole day. From outdoor adventures to games, crafts, and storytelling, there's something for everyone to enjoy.

Step away from the digital world and embrace the joy of shared experiences, because the best memories are made beyond the screen!

We'd love to see how your family spends the day. Send your photos and most creative screen-free ideas to **info@sthugh-of-lincoln.surrey.sch.uk** and we'll feature the most original ones in our next newsletter!

## Reminders

### Stock up your child's pencil case

Please ensure your child has a transparent pencil case with the following resources in it: handwriting pen with blue ink e.g. manuscript brand (not a biro), biro with purple ink for editing, pencil, 30cm ruler, rubber, sharpener, glue stick, whiteboard pen and a small selection of coloured pencils, no felt tips. Some children have started to bring in alternative pencil cases, if they don't have an appropriate pencil case, we will provide one (and charge parents on scopay) as we will be keeping a small stock in the school office. We will also keep a small stock of some other resources such as handwriting pens and glue sticks which we will give to children when they run out and then charge parents via Scopay.

### School Absence

Just to remind parents/carers that if they take their children out of school without authority for 5 or more days (which do not have to be consecutive), then the following will apply:

1. If you have not incurred a penalty notice relating to this child/children in a rolling 3 year period since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, per parent/carer per child, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
2. If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, per parent/carer per child, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
3. If you have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey County Council will have no option but to consider a prosecution, per parent/carer per child, in the Magistrates Court under s 444 Education Act 1996.

Surrey County Council is not responsible for authorising pupil absence and therefore cannot withdraw any Penalty Notice requests without the written permission of the Headteacher.

### Safeguarding

We seek to provide a safe and happy environment for all children. This means that we have a Child Protection and Safeguarding Policy and procedures in place. If you are concerned about a child's welfare, please record your concern, and any observations or conversation heard, or [dsl@sthugh-of-lincoln.surrey.sch.uk](mailto:dsl@sthugh-of-lincoln.surrey.sch.uk) as soon as possible the same day.

# Reception – Saint Bernadette

Today was our class liturgy. It was lovely to have the parents and family members to join in with our celebration. The reception team are so proud of all the children have achieved this year. We sang beautifully with actions; our prayers were led by the children and Fr Rob told us the story of the tax collectors. The children were so excited to be part of the liturgy and to share it with their Mum's Dad's and family members.

# Year 1 – Saint George

Last week, we were delighted to take part in an inspiring art workshop led by our talented Art Club teachers, Betty and Brook. Using a range of printing techniques, we created vibrant and meaningful artwork exploring the themes of peace and love. Drawing inspiration from the powerful *PEACE* collection by artist Mary Corita Kent, we experimented with symbols, shapes and colours to express our ideas. We're excited to share our beautiful creations with you at the upcoming St Hugh's Art Exhibition!

# Year 2 – Saint Francis

What an amazing week full of great learning! In English we researched about the global problems in our planet, and we wrote persuasive letters to people in the Earth to raise awareness of the importance of looking after the energy, water and trees. In maths we started our new topic on statistics where we learned how to read and interpret a table and a block diagram. In science we learned the food groups and the importance of a balanced diet and exercise to live a healthy life. In RE we learned about Judaism and in DT we designed our moving monsters. The highlight of our week was History where we learned about a new local hero, this time being one we are very familiar with... Miss Russell! We interviewed Miss Russell and asked her questions about her life and her career. She taught us the importance of being resilient, especially as a paralympic athlete. We saw her medals and her races on videos; it was so inspiring! Thank you, Miss Russell!

Spelling

This week's spelling rule:

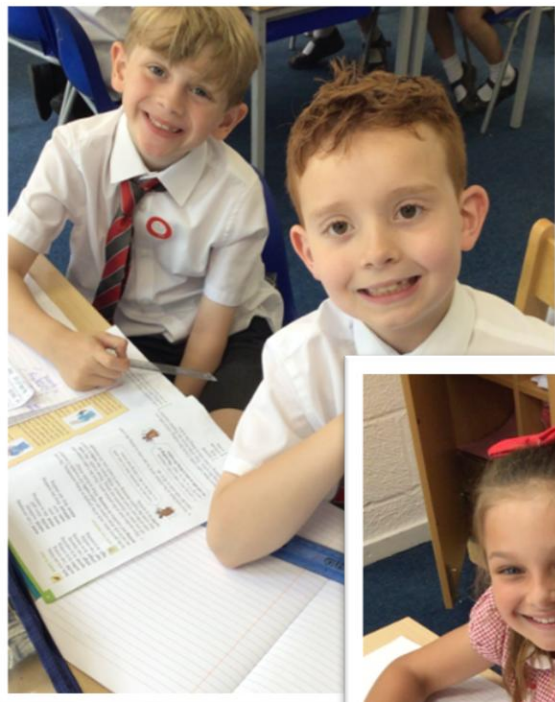

Adding the suffix -ness. Example: happiness, softness.

**Red words: pull, push, once, whole, clothes, improve**

# Year 3 - Saint Veronica

This week, Year 3 have been learning about verbs in Latin. We noticed that the ending of a verb changes depending on who is doing the action. The children worked with a partner to read a chapter from their Latin textbooks and spot verbs. On Thursday, we were very excited to have our art workshop. The children worked hard to design and create their own print inspired by 'peace'. What amazing artists we have in Year 3!

Spelling

**Our spelling rule this week is: Adding -ation to verbs to make nouns**

**For example: preparation, admiration, information**

**Orange words: centre, through, perhaps, exercise, centre, enough**

# Year 4 - Saint Teresa of Calcutta

Year 4 have had a fantastic week of learning, demonstrating exceptional resilience and focus, especially during the intense heat earlier in the week. Their ability to stay engaged while consistently upholding our school values was truly impressive. A particular highlight was the Art Exhibition Workshop with Betty and Brook, where pupils enthusiastically created their own personalised prints. These beautiful pieces were thoughtfully linked to the powerful theme of 'peace', showcasing both creativity and reflection.

Our special focus in spelling this week is: adding 'il-' and revising un-, in-, mis-, dis-.

Examples: unkind, impatient, illegal.

Orange words: surprise, separate, sentence, promise, group, guard,

# Year 5 - Saint Raphael

This week in Science, we explored how air resistance affects sailboats. We began by learning about the forces acting on sails and how they influence movement. Then, we sketched our own sailboat designs, thinking carefully about shape and balance. After building our models, we tested them in water to see how well they performed. It was exciting to observe how different designs responded to the wind and water!

Our spelling rule this week is: Continue Year 5 spelling at home

For example:

Our 6 orange words are: criticise, equipment, dictionary, guarantee, frequently, familiar

# Year 6 – Saint Maximilian Kolbe

Our Liturgy Leaders did a wonderful job planning and delivering a thoughtful religious assembly for the Year 6 children. They shared an important message about what God truly asks of us. They explained that God does not want us to give Him material things or grand offerings. Instead what He truly wishes for is our hearts filled with love kindness and faith. The reading they chose from the prophet Micah taught everyone about the importance of walking humbly with God and living our lives with love compassion and kindness towards others. The Liturgy Leaders encouraged everyone to think about how they can show love in their words and actions and how simple acts of kindness can make a real difference in the world. To end the assembly the Liturgy Leaders led a thoughtful and moving prayer asking God to help us bring justice to the poor and the abandoned and to care for those who are in need. It was a meaningful assembly that left everyone feeling inspired to live out these important values in their everyday lives.

Our 6 orange words are: *signature, sincere(ly), soldier*  
*stomach, sufficient, suggest, symbol*
