5pm  
**18<sup>th</sup> July** Leavers' Mass 9am  
school hall  
**19<sup>th</sup> July** final day of the summer  
term/Y6 Leavers' Assembly 9-10am

## Mrs Grace

Mark 3:20-35

*"If a kingdom is divided against itself, that kingdom cannot last."*

This certainly holds true with our lovely school and its community. Our strength comes from our unity around the mission, our fidelity to Gospel values, our commitment to serving the children in our care. All the children know what ready, respectful, safe means and they live our school, values on a daily basis. I never cease to be amazed at how polite, well mannered and considerate they are of each other and how curious and imaginative in their learning.

Enjoy this week's newsletter.

God bless!

Mrs Grace

### RSE – Journey in Love

As part of our commitment to work in partnership with parents, when teaching our RSE curriculum Journey in Love, we like you to be aware of the topics that are going to be taught this term so that you can discuss with and be prepared for any questions your children might ask.

In the autumn term, the children were taught about "Social and Emotional" love, in the spring term children are taught the "Spiritual" unit and in summer term the children are learning the "Physical lessons". The Physical learning intention for each year group is:

Reception class: To recognise that we are different and unique

Year 1: To recognise how I am cared for and kept safe in my family

Year 2: To celebrate ways of being safe in our communities

Year 3: To describe and give reasons why friendship can break down, how they can be repaired and strengthened.

Year 4: To describe how we should treat others making links with the diverse modern society we live in.

Year 5: To show knowledge and understanding of the physical changes in puberty.

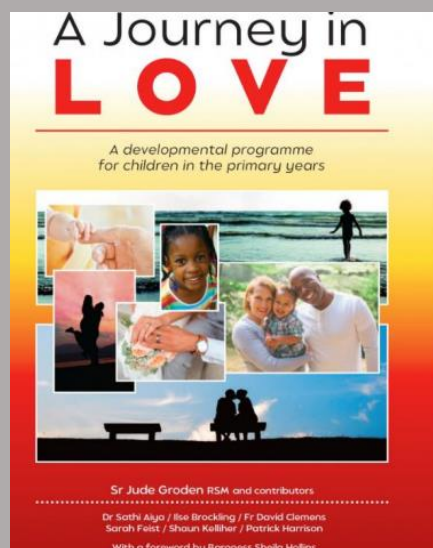

Year 6: Explain how human life is conceived.

If you would like any further information about the lessons please ask your child's class teacher.

**Mrs Pickard and the Year 5 and Year 6 teachers will be giving parents the opportunity to see the slides before the lessons are taught to the children.**

**Year 5 Tuesday 11<sup>th</sup> June at 5pm – 5.30pm. Zoom meeting with Mrs Pickard and Miss Joubert**

**Year 6 Monday 17<sup>th</sup> June at 5pm – 5.30pm Zoom meeting with Mrs Pickard and Mr Davies.**

## News at St Hughs

### District Sports at Woking Sports Box 12<sup>th</sup> June

Well done to all the children who took part in the District Sports athletics event at Woking Sports Box on Wednesday. They all really enjoyed themselves and tried their best. It was lovely to see how encouraging and supportive they were of each other. A parent mentioned that children were even running alongside the track cheering with encouragement for their classmates all the way to the finish line.

They all looked amazing in the St Hugh kit and they really stood out among the other schools. We know that the children were very proud to be representing us and we are very proud of them for looking so smart and working as a team.

Thank you so much to Mr Trussler for organising and attending this event.

# Reception – Saint Bernadette

We have been learning all about St Paul and how he travelled far and wide to spread the good news about Jesus. Today in our continuous provision we were making boats for St Paul to travel in and wrote letters to people pretending we were St Paul. We told people how Jesus wants us to behave in our letters.

“Jesus asks us to play with the cars respectfully” Joseph

“Jesus asks us to play kindly and safely” Otis

Some of the children are asking some amazing wonder questions too.

“I wonder why St Paul was a bad man to start with” Leokadia

# Year 1 – Saint George

This half term, Year 1 are going to be exploring colours. This week, we learnt about the primary colours and how we can mix them to make secondary colours. Throughout this unit of work we are going to:

- Print with paint
- Mix five different shades of a secondary colours
- Study the artist Clarice Cliff

Don't forget on Wednesday we have our school trip to Brooklands Museum.

# Year 2 – Saint Francis

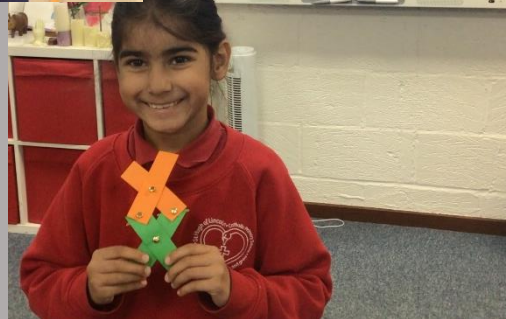

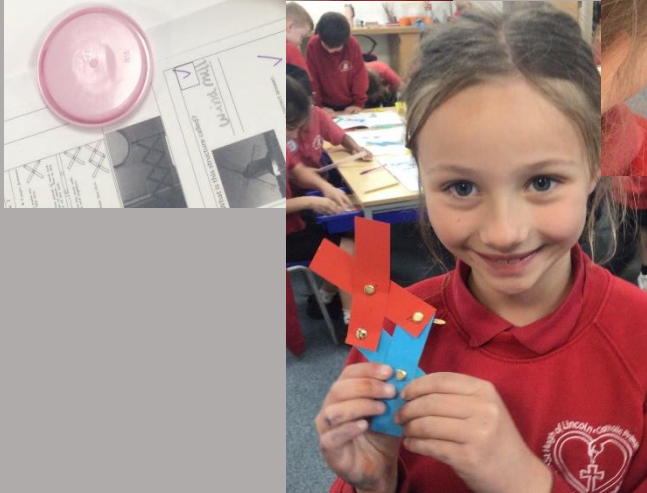

Happy Week 2! We have had a busy week in Year 2! In English, inspired by our book “The Bee Who Spoke”, we wrote elaborate descriptions of what we can see through our classroom window, using expanded noun phrases and conjunctions. In maths we continued with our unit “Problem solving, efficient methods”, exploring new ways of add and subtract two-digit numbers using different resources. In Science we classified food labels into plant, meat and both depending on the ingredients, and in History we used photographs to learn about the life of Ethel Smyth, one of our local heroes. In RE we read the scriptures from St Paul (Colossians 3: 10-17) and learn what God asked us to do and how to behave, the rules of our Catholic church. The highlight of our week has been DT, where we made different linkages in preparation for our final project, a moving monster.

**Read Write Inc.**  
Spelling

**This week's spelling rule (Part 2):** For some adjectives we need to swap a letter before we add -er or -est. If a word ends in y, swap the y for an i before adding -er or -est. Swap the y for an i before adding -er or -est.

Red words : **months of the year**

# Year 3 – Saint Veronica

This week we have taken inspiration from our biographic book One Plastic Bag. In our book Isatou creates a bag from recycled materials and sells it. We have designed our own bags and written persuasive speeches to give to the class. We have thought about our language choices using imperative verbs, rhetorical questions and subordinating conjunctions, to persuade our peers that our bag is the one they need. Well done Year 3, we have loved seeing all your creative ideas, we have everything from amazing sports bags, to elaborate animal carriers.

**Read Write Inc.**  
Spelling

Our spelling rule this week is adding the prefix re- eg rebuild, replay  
Our orange words are : occasion, occasionally, parent, often, our, over

# Year 4 – Saint Teresa of Calcutta

In PE this week the Year 4 children were focusing on their co-ordination skills. Children were able to confidently explain what was meant by co-ordination and in what daily life activities and sports they use their co-ordination. Within the lesson, children focused on their throwing and catching utilising their hand and eye co-ordination skills. Alongside this, the children ended the lesson with a fun game, where they were in 6 teams of 5 and they had to perform 'over and under' with the ball and use their team work and co-ordination skills in order to successfully complete the game.

**Our spelling rule this week is:** adding the suffix -ion

**For example:** collection, injection, invention

**Orange words:** experiment, knowledge, sentence, disappear, early, particular

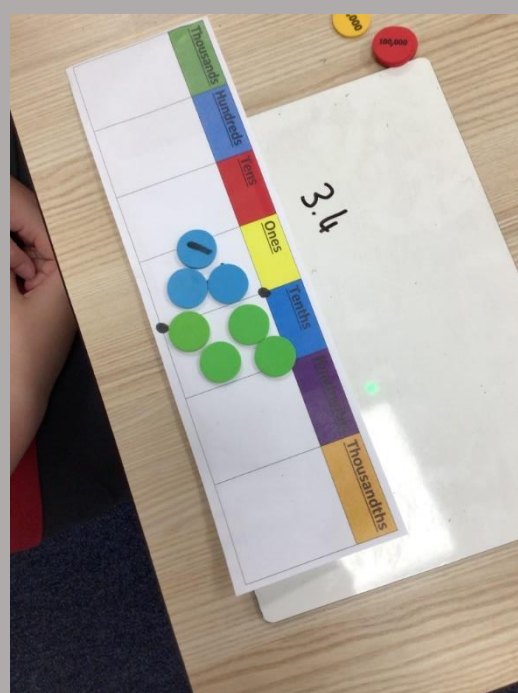

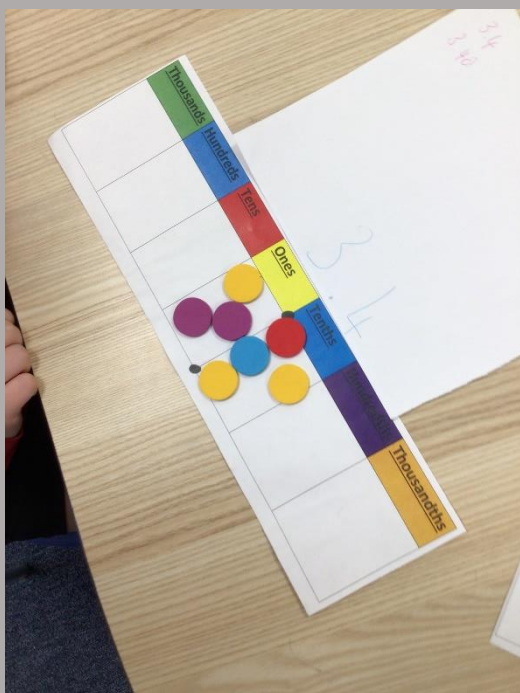

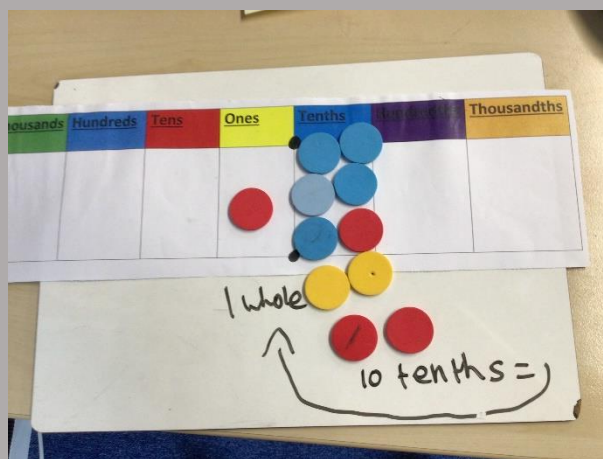

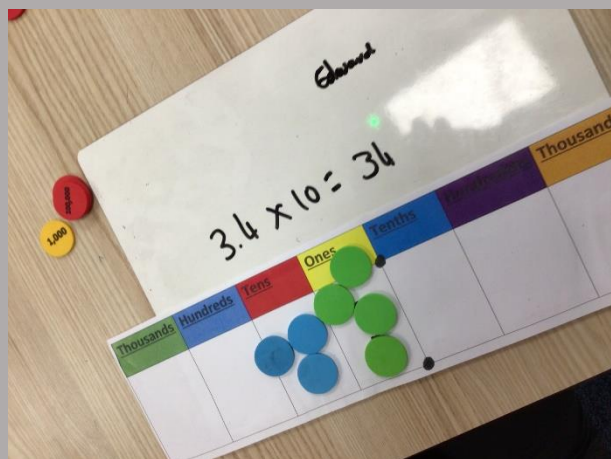

# Year 5 – Saint Raphael

This week we read all about Zlata's life in Sarajevo and discussed whether she and her family should leave or not. It was very hard to keep in mind that we should not give our personal opinion in the first five paragraphs, but keep it fair. In Maths, we learned how to add and subtract decimals. In the intervention group, we looked at multiplying decimals with whole numbers (X10) using manipulatives. In Geography, we enjoyed learning where different types of food comes from; it was really interesting. We have also taken our class photo this week – keep a look out!

Our 6 orange words are: ordinary, occupy, privilege, persuade, conscious, restaurant

Spelling

# Year 6 – Saint Maximilian Kolbe

This week, our Year 6 children delved into the fascinating concepts of evolution and inheritance by creating their own imaginary animals. Each student designed a unique creature, detailing how it adapted to its environment and inherited traits from its ancestors. This creative project not only allowed them to showcase their scientific understanding but also encouraged imaginative thinking. The children enthusiastically presented their animals, explaining the evolutionary adaptations and inherited characteristics. Through this engaging activity, they demonstrated a solid grasp of how species evolve and how traits are passed down through generations. We're incredibly proud of their insightful and inventive work!

## Information Board

### Summer Camp

**Emma Martin Mindfulness and Koala Kids** Parties will be running a kids summer camp over the holidays. Confirmed dates are 6th, 7th and 8th August with more dates to follow. Spaces are available to book now on the below link..

<https://bookwhen.com/emmamartinmindfulness#focus=ev-sb1w-20240806085000>

**Planet soccer** will be running a football & Multi sport camp for two weeks in the summer holidays. The first week will be the Monday 29th July to Friday 2nd August. The second week will run from Monday 12th August to Friday 16th July. We have an early bird discount option (ends 7th July) saving 15% using the code SUMMER24 when selecting dates. We also have a sibling discount of 10% using the code SIBLING24. Spaces are available to book now on the below link..
