

Year 2 Spring Term

We have enjoyed welcoming the children back to school after the Christmas break and seeing their enthusiasm for learning. Children have already impressed us with their commitment to following the three rules of being ready, respectful and safe. This positive start to the Spring term, has already resulted in some excellent learning taking place.

Year 2 Spring Term Curriculum		How you can support learning at home
Reading	RWI Phonics and Reading Masters-Grey books	Daily reading at home Checking the reading makes sense, explaining what has happened in the text, answering questions on the text especially 'why do you think..?'
Writing	Texts-The Fox and the Star -Lila and the Secret of Rain	Practise recognising punctuation e.g full stops, capital letters, question marks and exclamation marks. Practise handwriting at home with correct orientation and size.
Maths	Multiplication and division, statistics, geometry-properties of shape, fractions, measurement length and height	Ensure completion of homework set on My Maths and practise times tables on the Times tables Rockstars program
Science	Changing shape Growing plants	Read the knowledge organisers on the school website, especially the vocabulary.
R.E	Come and See topics Books, Thanksgiving, Opportunities	Support with learning school prayers (on the website) Reading Bible stories
Geography	Journeys-food	Discuss with your child about where the different foods come from. Read the knowledge organisers on the school website, especially the vocabulary.
Art	Painting and mixed media	Read the knowledge organisers on the school website, especially the vocabulary.
PSHE	Dreams and Goals Healthy Me Journey in love	Ask your child about their learning.
Music	'I wanna play' -Learn to sing songs and play instruments with a song	Ask your child about their learning. When listening to music ask them 'which instruments are playing in the song or piece of music.'
PE	Led by our Sports Coaches	Children wear P.E. kit to school on Mondays and Thursdays
Computing	Pictograms	
Design and technology	Mechanisms-A fairground wheel	Read the knowledge organisers on the school website, especially the vocabulary. Look at wheel mechanisms to see how they work.
