

Year 3 Summer Term

Thank you for your support in the Spring Term with reading and times tables, please keep it up this term. It makes such a difference to their confidence in maths and reading lessons. We are looking forward to a busy term including a trip to Watts Gallery. As well as an over view of the term we have included ideas of how you can support your children with their learning at home.

| Year 3 Summer Term Curriculum | | How you can support learning at home |
|-------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reading | As a class we are reading and discussing: Summer 1—The Boy Who Grew Dragons Summer 2— The Puffin Keeper | Please listen to your child read their reading book daily and ask them questions about what they have read, get them to show you the evidence in the text to support their answer. Challenge them to summarise a paragraph or section of their book. |
| Writing | We will be writing a variety of pieces to entertain, inform and persuade on Summer 1 The Great Kapok Tree Summer 2 One Plastic Bag | Summer 1— our writing will all be based around the rainforest, read other fiction and non fiction texts about the rainforest, watch programmes and research the rainforests together. Summer 2— our text is biographical, read other texts in this genre. It is set in Gambia, find out about Gambia. |
| Maths | Summer 1—Fractions and Time Summer 2—Angles, Properties of Shape, Mass and Capacity | Discuss key vocabulary for the topic with your child. Overviews of the unit for each half term are on Teams. Encourage your child to tell you the time as often as possible using analogue and digital clocks. |
| Science | Summer 1—Parts of Plants Summer 2—Light and Shadow | Discuss key vocabulary in the knowledge organisers (available on the website) Look at different plants in gardens and plants. Visit Wisley or another garden. Grow some plants at home. Find out about silhouette pictures from the 1700s. Try making your own pictures |
| R.E | Pentecost, Reconciliation and Special Places | Share the Pentecost story and the Prodigal Son. Talk about choices and the Sacrament of Reconciliation. Talk about the diversity of the world and find out more about CAFOD's work together. |
| History/ Geography | Summer 1— Local History Summer 2—The Coast | Visit the coast. Enjoy the beach, cliffs, rock pools and tourist attractions. Find out more about the coast by enjoying fiction and non fiction books. Visit local museums and historic buildings. For example Woking's Mosque, Woking Palace, Brooklands Museum. |
| DT/ Art | Summer 1—Structures: Constructing a Castle Summer 2—Sculpture and 3D: Abstract shape and space | Visit a castle for inspiration Find out about the artist Anthony Caro and Ruth Asawa and look at some of their sculpture work. |
| PSHE | Dreams and Goals | Talk about differences and celebrate them. Discuss resolving differences, working cooperatively. Set challenges together and discuss how to overcome difficulties. |
| Music | All our work will be based around one song Bring Us Together, a disco song about peace and friendship. | Discuss key vocabulary in the knowledge organiser (available on the website) |
| Computing | Creating media—desk top publishing | We will be looking at text and images and how they can be used to communicate messages. Look at the layout of leaflet and magazines, talk about text, font and colour choices |
| Latin | Subjects are how the romans learnt and The Roman and Britons, grammar focuses will be verb endings and adverbs. | Find out more about life in Roman Britain. Read some Greek mythological stories together such as Pandora's Box and Icarus. |
