18th July Leavers' Mass 9am school hall

19th July final day of the summer term/Y6 Leavers' Assembly 9-10am

Mrs Grace

Dear parents and carers,

It's been a very fruitful week at St Hugh's The RE Followers attended a very special celebration of The Good Shepherd on Thursday at Worth Abbey. Pupils from many schools within our diocese were represented. The children were an absolute credit to their school and a pleasure to spend a day with.

We finished the week with a beautiful celebration of Mass with Year 3 and their parents. They sang their hearts out and read with pride and confidence. Well done to all of them. Father Nick was very impressed. Thank you to Mrs Willmot and Mrs Lewis for organising the Mass and to Mr Ellson for playing the piano.

Mrs Evans put on a wonderful, show for the parents on Thursday evening in our school hall. We saw and heard some outstanding performances from children from all classes. We had wonderfully skilled pianists, a violinist and vocalist! Well done to all the children who participated.

On the sporting calendar this week, St Hugh's children enjoyed participating in a challenging triathlon in Bracknell. Well done to all our competitors and thank you to Mr T for organising the opportunity. Thank you also to Mr O'Donovan for driving the children in our minibus to the triathlon and Y4 to SJB for their DT cooking experience on Wednesday.

Our children are brave and adventurous and face all challenges with resilience. When Jesus calmed the storm in this week's Gospel, quite simply saying to us: Stay calm, don't panic. Trust in God and all will be well. God Bless Mrs Grace

Information Board

Staffing update from September 2024

YR Miss Scott (Mon-Wed) Mrs Barker (Thurs and Fri)

Y1 Miss Bye

Y2 Mrs Medina

Y3 Miss Butler

Y4 Miss Russell

Y5 Ms Joubert

Y6 Mr Davies

Mrs Thompson will be returning and will work 1 day in Year 1 and 1 day in Year 6 each week.

Information Board

Ofsted celebrations

We are delighted to inform you that you that our recent Ofsted report has now been published on the Ofsted website

[.https://reports.ofsted.gov.uk/provider/21/143370](https://reports.ofsted.gov.uk/provider/21/143370)

To celebrate this absolutely amazing result, we are going to have a special party afternoon with the children on the KS2 field. This will take place on the afternoon of 17th July. We will also be having our annual talent show that morning and each teacher will pick 3 acts from their class who will take part in the show. Please speak to your children about whether they would like to have a go. Their teachers will tell them when the auditions will be.

This special day will be a MUFTI day so children may come to school in their own clothes but please ensure they wear sensible footwear and the usual rules about jewellery still apply for safety reasons. Well done to all our wonderful children.

Triathlon 28th June in Bracknell – well done to all our competitors!

Reception – Saint Bernadette

YR have been learning in the outside area, enjoying the glorious summertime weather. At last! We have been learning from the story Rainbow fish and created our own patterns for our fish. Our water play has been very cooling in the shade and we have created stories and put some music to the story too. We are constantly developing our skills when learning through play. Just a few are our fine and gross motor skills, which are the foundations to us becoming expert writers. Our writing is amazing now, from name writing to sentence writing in just a year! We are so proud of all the children.

Year 1 – Saint George

What a hot and busy week we have had!

In Maths we have been learning to recognise coins and notes. Today we have been learning how to count a group of coins. In Art we have been learning how to print with the primary colours. In History we have been focusing on why aeroplanes are important and we have been creating transport timelines. In English we have been writing story settings using expanded noun phrases and conjunctions. In Music we had a singing lesson with Mr Ellson.

Finally, in Science we were thinking about why materials are sometimes unsuitable for different objects.

Year 2 – Saint Francis

Happy Week 4! It seems like summer has arrived! We have had a great, sunny week full of learning in Year 2. Last Friday we had a beekeeper coming to our class to talk about bees, and this week we have used the information to write fact files about honey bees in our English lessons. In maths, we finished our unit of “Positional Language” and we had fun in Computing putting this knowledge into practice by giving movement algorithms to the BeeBots. In Science we learned about food chains more into detail by knowing the role of a producer and a consumer in a habitat. In History we read about the Muller-Rowland brothers by looking at photos of some objects that they used, they were RAF pilots considered local heroes of our community. In DT we used our designs of our moving monster to build them, it was so much fun! The highlight of our week was RE where we role-played as we went to confession at church, understanding the importance of thinking about our bad choices (examine of conscience) and confessing our sins, in order to find forgiveness in God (absolution).

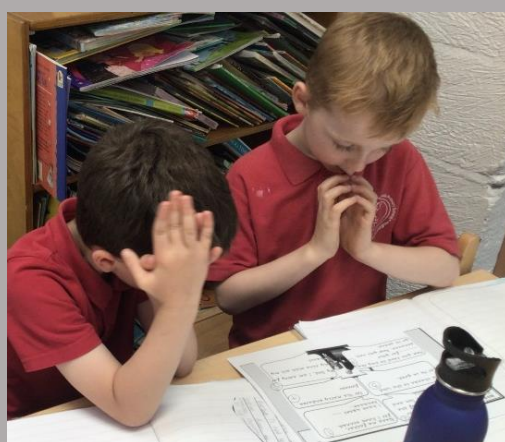

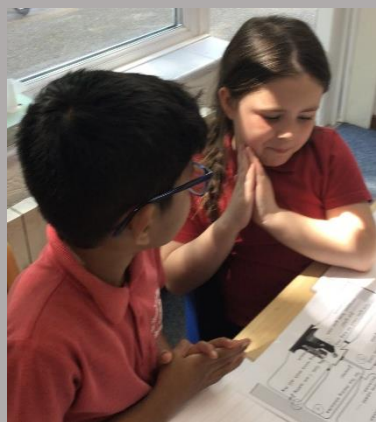

Read Write Inc. Spelling

This week's spelling rule: Rule 1: If an adjective ends in a short vowel + consonant, double the consonant before adding –er or –est. **Rule 2:** If an adjective ends in -y, swap the –y for an -i before adding –er or –est. **Rule 3:** If an adjective ends in -e, drop the –e before adding –er or –est.

Happy → happier, cute → cuter

Red words (RECAP these four) : **would, should, could, might**

Year 3 – Saint Veronica

We have enjoyed a busy week in Year 3. We harvested our first crop of peas from our vegetable patch – we enjoyed these as a morning snack in our reading lesson. In RE we are learning about the sacrament of reconciliation. We created freeze frames of each step and thought about the different ways we could show we were sorry. In Latin we became detectives working as a team to translate a story. We had to look at the endings of verbs to see who did the action and translate new words with our partner.

Our spelling rule this week is adding the prefix anti- eg antiseptic, anticlockwise
Our orange words are : opposite, peculiar, ordinary, people, prove, plant

Year 4 – Saint Teresa of Calcutta

This week the children in Year 4 were very lucky to go on a DT school trip to SJB, to make biscuits. They were split into ten groups of three and they were tasked with following a step by step method to make a batch of biscuits. After that, they were challenged to make a second batch of biscuits, however they had to adapt the recipe by adding either chocolate chips or raisins. All the children had a fabulous time and they were all delighted with the way their biscuits turned out.

Our spelling rule this week is: adding the suffix -ion

For example: collection, injection, invention

Orange words: learn, forward, length, knowledge, interest, natural.

Year 5 - Saint Raphael

This week we had a fabulous time designing and making boats in Science, testing air resistance. If the air resistance is greater than the push forward from the wind, it will not move forward. If the push from the wind is greater than the air resistance acting on the sails, the boat will move forward. I hope they have tested their boats at home. We had a great discussion of how air resistance can slow objects down.

Our 6 orange words are: mischievous, correspond, pronunciation, parliament, programme, physical

Year 6 – Saint Maximilian Kolbe

This week in English, Year 6 have been learning about the Suffragettes and their vital role in securing women's right to vote. The students engaged in a conscience alley activity, where they explored and debated the methods used by the Suffragettes to make their voices heard. This interactive exercise allowed them to critically assess different viewpoints and understand the complexities of the Suffragette movement. The children demonstrated remarkable sensitivity towards others' opinions and thoroughly enjoyed the lively group debates. It was heartening to see them engage respectfully and thoughtfully with such an important historical topic.
