

# Parts of animals

Year 1 - Autumn

<p><b>senses</b></p> 	<p>The ways that our bodies help us learn about, explore, and interact with the world around us.</p>
<p><b>sight</b></p> 	<p>Your eyes let you see things all around.</p>
<p><b>hearing</b></p> 	<p>Your ears let you listen to all the things around you.</p>
<p><b>touch</b></p> 	<p>Your skin gives you the sense of touch.</p>
<p><b>taste</b></p> 	<p>Your sense of taste comes from your tongue.</p>
<p><b>smell</b></p> 	<p>You smell using your nose.</p>
