 - KS1 - Monday 24th June
 - KS2 – Thursday 27th June
- 19th July final day of the summer term**

Safeguarding contact reminder

We seek to provide a safe and happy environment for all children. This means that we have a Child Protection and Safeguarding Policy and procedures in place. If you are concerned about a child's welfare, please record your concern, and any observations or conversation heard, and report to Mrs Grace, Mrs Pickard or Mr Davies as soon as possible the same day.

Mrs Grace Mark 14:1-15:47

Dear parents and carers,
This week each class has been sharing their reflection on the Gospel during Holy Week. Their sensitive and respectful retelling of the events of Jesus's final week on earth reminded us of the greatest sacrifice God made for us. To be with the children and one another as the story unfolds gives us a great opportunity to share all that it offers.

As the Spring term ends and we look towards the new term, may I draw your attention to some reminders within this short newsletter about uniform and resources for your children.

You may have noticed that our new Multi Use Games Area is coming along nicely. However, I have been informed today by the Xavier Trust Estate's team that, due to the recent inclement weather, it is unlikely to be completed over the Easter break. Work will resume when the weather improves and I'm sure it won't be too long before the children will all be able to enjoy using it.

Thank you for all your support this term and for all your kind words about the school. We have a very strong team of people who are absolutely dedicated to making the school and our provision the very best it can be and it is full of absolutely wonderful children. Your support means the world to us all.

I wish you all a very happy and blessed Easter.

Mrs Grace

Winners of the Woking Lions Easter Colouring Competition

A few reminders

Equipment Year 1 – Year 6

Please can you check your child's pencil case and ensure that they have all the vital resources they need. Sometimes things run out so we would really appreciate it, if you could check their stock of equipment from time to time and replenish as needed.

Pencil cases should be clear and unfussy. Unfortunately, some of the pencil cases that are currently being brought into school do not fit into the children's trays which is making it difficult for them to manage. Please can you supply your child with a simple, clear pencil case filled with: A glue stick, Blue ink handwriting pen x 2, pencil x 2, sharpener, whiteboard pen, ruler, rubber and a small selection of coloured pencils.

School Uniform

As we enter the summer term, children may wear the summer uniform. Please check the school website for details.

Earrings may not be worn for health and safety reasons and long/shoulder length hair needs to be tied back. Please ensure that hair accessories are simple, soft and in school colours. Large bows and hard plastic attachments are not permitted.

Messenger bags and school bags are the only bags allowed in school as we do not have space to store rucksacs or large bags.

Please ensure that water bottles contain only water.

PE Enrichment

For the summer term, we will be offering some PE enrichment sessions on Wednesday afternoons for the children. Each class will benefit from this on a rolling basis of one lesson every three weeks. We will send out more details after the Easter break but Year 1 and Year 2 will be having their first session in week commencing 15th April. Therefore they will need to come to school in their PE kits on that Wednesday.

News at St Hughs

A massive thank you to Miss Wisdom who is leaving us today after covering Mrs Lewis's Maternity leave for the past year. Miss Wisdom has done a fantastic job teaching in year 3 and year 6 and we will all miss her. We are looking forward to welcoming Mrs Lewis back next week. She will be teaching on a Wednesday in year 6 and in year 3 on Thursdays and Fridays.

LifeStyle1st@ St Hugh

Dan Newman from SJB is supporting the staff, children and families of St Hugh to understand how to live healthily. Lifestyle Medicine is a programme which educates us on how to eat more healthily, sleep better, improve social connections and make better health choices.

Dan is delivering a presentation on food, gut health and ultra-processed food on Thursday 18th April at 5pm. His talks are insightful and inspirational. We hope you can join us to learn a little more about how to stay healthy. As part of the Lifestyle1st programme, we are challenging the staff, children and families of St Hugh to be able to run 1 mile in 10 minutes by the Summer term in Year 6. Ms Bye and

Mr Smith will be running a training sessions next term, after school, to help the children to achieve this goal.

St Hugh of Lincoln
running club

JOIN US ONCE A MONTH
