Dear Parents and Carers,

On Tuesday evening, starting at 7.00pm, we will be hosting an evening for parents and carers focusing on children's social, emotional and mental health. The evening will be run by Mrs Pickard and by Mrs D'Amario, the Xavier CET Educational Psychologist. We hope that as many parents and carers as possible will come to the evening to learn about reasons for children's anxieties and strategies to support children at home to encourage good mental health.

We are looking forward to onsite work on our new breakfast and after-school care facility beginning on Monday. Workers will be on site for the next two weeks excavating and preparing the ground on which the new building will be installed during the Easter holidays.

Congratulations to the new Year 6 House Captains, and to all the Year 6 children who have been commissioned into new roles. During the Commissioning Service we thought about the Gospel reading of the day, in which Jesus described people as 'cornerstones'. We talked about our new House Captains, prefects, buddies, games captains, technicians and monitors being the 'cornerstones' of the school – amongst everyone, serving everyone, being strong, reliable, and good role models.

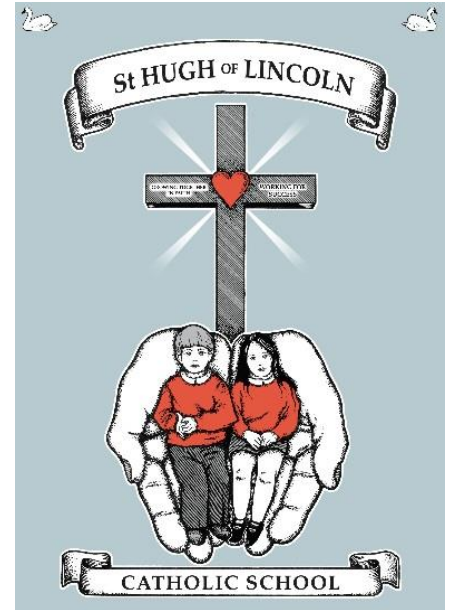

Well done to the children who have represented the school at sport this week: 10 children from Years 5 and 6 at the district cross country on Tuesday, and 19 children from Years 3 and 4 in boys' and girls' football tournaments on Thursday. To have had 29 different children representing the school within a week is great.

Thank you for supporting the Friends' Mufti Day, and good luck to everyone taking part in the Friends' Quiz Night tomorrow evening.

Enjoy the weekend.

God Bless,

Mr George
