Dear Parents and Carers,

One of the highlights of the year is always the Good Shepherd celebration, led by Bishop Richard, at Worth Abbey. Every school in the diocese is invited to participate and there is a wonderful sense of unity and family with the Abbey church being filled with hundreds of children in different coloured uniforms, representing all corners of the diocese. This year's Good Shepherd celebration took place on Wednesday. Nine of our RE followers / House Captains represented the school in a liturgy with the theme 'feeding the world'.

During this week all of our children have been enjoying learning about different aspects of life, history and culture in different parts of Africa. It has been great to see such creativity in children's learning, demonstrated through dance, art, music and much more.

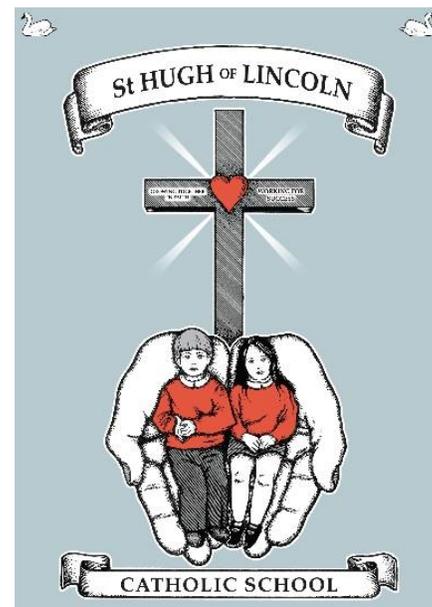

A big thank you to Mrs Roach for donating us some more bedding plants. These have enabled us to fill the front two flower boxes at the entrance to the car park.

We are looking forward to Sports Day next Friday. All parents and carers should have received a letter about Sports Day this week. Please do come and enjoy supporting the children if you can. We really hope that the weather next Friday will be fine. If it is wet I will make and communicate a decision as early as possible on Friday morning if there is a need to postpone Sports Day – if you don't hear anything then assume it will be going ahead as planned.

Although the past few days have been very wet, and a huge contrast with the same time last year, we are expecting more sunshine between now and the end of term. Please can we remind all parents and carers that children should have a sun hat and water bottle in school every day, and that sun cream should ideally be applied to children before they come to school.

Remember that Monday is an INSET day with the school closed to children. The teachers will be working on evaluating and planning the curriculum, particularly focusing on our International Primary Curriculum.

Enjoy the weekend. God bless. Mr George

Well done to our 20 children who represented the school this week in the Woking District Quadkids Athletics Championships. For the first time this annual event was held at the fantastic Sportsbox facility. We are awaiting the final results but we know that there were some excellent performances from our athletes, and that every one of them put in a good effort and tried their best.
